

We are excited to go back to camp for our IARBC Annual Conference! We will have 3 days of challenge and encouragement from the Word at IRBC with our theme, *Gospel-Minded Ministry*.

Pastor Matt Morrell, Fourth Baptist Church, Plymouth MN, is our keynote speaker for the conference. He will be leading us through the book of Philippians.

The conference has something for the whole family! We have workshops planned for both men and women. Childcare will be provided for the business meeting, main sessions, and all workshop times. We will have great food and fellowship in The Cove and opportunity for activities in The ROCK and on the campground.

There are affordable options to register and stay on the grounds or at area hotels. Please see the list of hotel options included in this packet. Hotels *do not* have blocks of rooms reserved; the hotels on the list are some options in the area. More information, including registration information, is available at <https://irbc.org/retreats-events/2024-iarbc-annual-conference>.

Messenger Reminder: Up to three messengers from your church may vote on all matters of business and up to two messengers from your church may vote for the Council of 10 members.

Plan on joining us!

Tim Capon
IARBC State Representative

Phil Betz
IRBC Director
